

## Learning Objectives

- \***Develop** skills of recognizing, comparing and classifying objects
- \***Begin** to talk about their creations with peers and adults
- \***Show** progress in recognizing letters and/or their name in print
- \***Develop** an increasing ability to coordinate movements related to throwing, catching, bouncing and kicking
- \***Make** connections with situations, events, people or stories

## Learning At Home

You are now invited to sign up to join us in the classroom. You may choose to stay and play or sign up for a specific activity that you may have in mind.

Please continue to send in your family photos if you have not yet had the opportunity to do so. We are building our classroom family wall.

*Exploring materials in the sensory table with water*

Last month, the children spent time exploring or getting reacquainted with the classroom environment, getting to know their teachers and meeting new children. As children grow more comfortable with the daily routine, their level of confidence grows.

We facilitated their growth and development in this area by providing opportunities to explore materials, played games to learn the names of the teachers and helped introduce children to one another.

This month, as children continue to learn the daily routine, they will grow in their ability to follow simple, clear and consistent directions. We will continue to support the children as they develop healthy relationships with other children and their teachers. Our small group begins this month, providing time for more individualized instruction.
